There are several options available to Conference participants.

### **Early Bird Rates:**

Representatives of member fire departments and organizations who **register before April 7, 2018** will receive the Early Bird pricing which represents a reduction from the membership prices for both the Conference and the HOT Weekend.

### **On-Line Registration (Please use for credit card payments)**

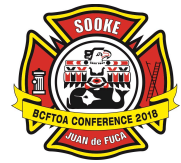

You may register online by clicking on the "Register Now" link on the conference webpage at [www.bcftoa.com](http://www.bcftoa.com). This may be used if you are paying by credit card. If your organization needs an invoice or you want to pay by cheque, please complete the manual registration form below.

### **Email or Fax Registration (Please use for payment by cheque)**

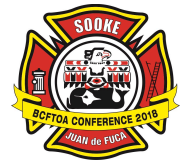

If you or your organization needs an invoice or wishes to pay by cheque please complete the information below and email this registration form back to [admin@bcftoa.com](mailto:admin@bcftoa.com) or fax to 866-556-1689. The BCFTOA will send you an invoice for your registration fee. A separate registration needs to be completed for each participant.

### **Instructions:**

1. **Please complete a separate form for each participant.** Under Registration Information, please provide the requested information for the participant that is being registered.
2. Please also complete the Payment Information section so that we can create and send an invoice for payment of registration fees. Please note that your registration will not be confirmed until payment is received.
3. Select the option you wish below by marking next to the option(s) you wish to register for. Please note the option letter (eg. A, B, B1, etc.) as it will let you know which courses that are available to you when you choose your courses.
4. Note that if you select Option A – Full Conference and HOT Weekend, Option C – Full Conference or Option D – Spousal Program, the conference meal package is included. This includes the Vendor Dinner and Awards Banquet so you do not have to select them separately.

5. Select the courses you wish to take based on the option you selected. For example: If you select Option B, then only the courses that have a B next to them are available to you. The column lists all of the options that the course can be associated with. If you see something like "A, B, B1" and you selected B, then you can sign up for it. People who selected A or B1 can also sign up for this course.
6. Keep in mind that you cannot select courses that have conflicting or overlapping times. For example you cannot pick two courses in the same time frame. Nor can you pick Day 1 of one two-day course and Day 2 of another. Our registration system checks for those conflicts when we enter the information.
7. If you have any questions or are unclear as to how to complete the form either email [admin@bcftoa.com](mailto:admin@bcftoa.com) or contact Cinnamon Phillips at 250-586-7717
